Thanks Lisa. Could you send me the RA briefing?

Is Paul Schwartz aware of this? This directly relates to a permitting, RP to cause/contribute, 303d issue on appeal that is before the GA Supreme Court. That I've been working on for several years.

Frank,

GA changed two words in a narrative 'free from' criteria. They changed the word 'legitimate use' to 'designated use' and added the word 'unreasonably' in front of the word, 'interfere.'

Let me know if you need any additional information.

Lisa
